

The Community

Rodriguez Feed & Pet Supply cares for the community of Dixon and in turn will help FFA students widen their knowledge and aid them during annual May Fair competitions. We are huge supporters of our local farmers and sell the fresh feed they grow in our barn out back. A weekly farmers market out front also sells local fruits and vegetables.

High Quality Feed Matters

The benefit of quality feed is surprising and with our nutritionist we can make a proper diet for your pets. With quality feed you are assuring your animal gains the necessary nutrient requirements. Here at Rodriguez Feed & Pet Supply we do not sell products full of excessive chemicals which can harm pets, we sell fresh feed in a variety of ways, you just have to name it.
